September 18, 2017
Dear Jan,
Herb and I want to thank you for your kindness and warm hospitality in welcoming us to Langdale Place as we were trying to escape Hurricane Irma. All of your staff were very helpful and friendly and made us feel right at home. You are fortunate to have such good workers at your facility. It's no wonder that the residents were so happy. We wish you continued success with Langdale Place and much happiness.
