Heart Search & Find

This month we will have a Heart Search & Find weekly! There will be a heart hidden around Langdale Place. If/when you find it immediately tell Joanna or the front desk to redeem your prize. Whoever finds it first gets the prize!

Do you have a special interest/hobby? Do you want to find someone else who has it, too?

GREAT! Let us help you find your people! Sign up on the bulletin boards under your hobby to see who else matches up with you. Don't see your hobby? ADD IT!

Arbor Day Activity

Garden Club Members will be participating in The City of Valdosta's Arbor Day Celebration next week. All residents are invited to ride along with us to Valdosta City Hall Annex to pick up a free tree seedling on Wednesday, February 13th at 10:00 AM!
