Kitchen Ceiling & Fire Sprinkler Remodel Project

Please be advised that Langdale Place will soon begin the ceiling repair and sprinkler system upgrade/remodel project in the kitchen.

These upgrades are vital to the safety and structure of the building.

The project will tentatively begin on Friday, February 9th after 6pm. The kitchen will be closed for meals for possibly up to 3 days.

During this time, breakfast will continue to be served as normal, however the noon and evening meals will be catered.

Please stay tuned to the information boards and the front desk for upcoming plans and meal choices during that time frame.

Thank you in advance for your cooperation during our kitchen upgrades.
